INFORMATION FOR LANDLORDS and TENANTS

GIVING A NOTICE OF RENT INCREASE UNDER THE MANUFACTURED HOME PARK TENANCY ACT (MHPTA)

- Once a year, the landlord may increase the rent for the existing tenant(s). The landlord may only increase the rent 12 months after the date that the existing rent was established with the tenant(s) or 12 months after the date of the last legal rent increase for the tenant(s), even if there is a new landlord or a new tenant by way of an assignment.
- A landlord must give a tenant at least 3 whole months' notice, in writing, of a rent increase. *For example, if the rent is due on the first day of the month and the tenant is given notice any time in January, even January 1st, there must be 3 whole months before the rent increase begins. In this example, the months are February, March, and April, so the rent increase would begin on May 1st.*
- The Manufactured Home Park Tenancy Regulation allows a maximum rent increase according to the formula:
Existing rent + inflation + increase in local government levies and public utility fees*
* Landlords wishing to increase rent and include proportional increases in local government levies and public utility fees must use form RTB-11. Landlords wishing to only increase rent by inflation (or the 2% permitted for rent increases with an effective date in 2023, or 3.5% for rent increases with an effective date in 2024) only should use this form, Notice of Standard Rent Increase Manufactured Home Site (form RTB-45) and must serve it according to the MHPTA.
- A landlord may only impose a rent increase up to the amount calculated in accordance with the regulations or as ordered by an arbitrator. Rent may be rounded down, not up. For example, rather than setting rent at \$496.73 per month, the landlord may choose to establish the rent at \$496.00 per month but it may not be established at \$497.00. If a tenant believes that the rent increase is more than allowed by the regulation, the tenant may contact the Residential Tenancy Branch for assistance.
- It is an offence for a landlord or a landlord's agent to collect a rent increase in any other way other than in accordance with Part 4 of the MHPTA.
- A notice sent by mail (which is one method of service) is deemed to be received on the 5th day after it was mailed. *For example, a rent increase given by registered mail should be mailed on or before January 26th for the increase to be effective on May 1st; however, a rent increase given personally to a tenant on or before January 31st could be effective May 1st.*
- A tenant may not apply for dispute resolution to dispute a rent increase that complies with Part 4 of the MHPTA.
- If an address is a Rural Route, include this information in the 'street name' box.
- For further information on rent increases, see Part 4 of the MHPTA and Part 5 of the Manufactured Home Park Tenancy Regulation.
